

The Learning Ladders Range...

MY LEARNING LADDERS FOR MATHS

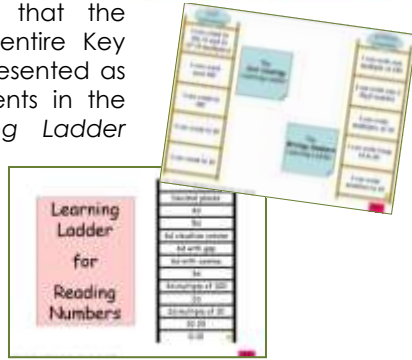

By Ben Harding & Chris Boddy

'My Learning Ladders for Maths' is being described by teachers as a 'complete package'.

This is because it fully integrates APP procedures into a curriculum tracking system that the children themselves complete. The entire Key Stage 1 and 2 Maths curriculum is presented as succinct child-friendly target statements in the increasingly popular *Focus Learning Ladder* format.

1 Teacher CD ROM & 30 Pupil Books	£99.00
30 Pupil Books	£81.00
20 Pupil Books	£54.00

Minimum order quantity of 20 books

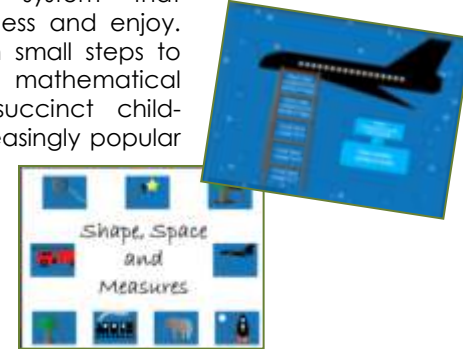

MY Little LADDERS FOR MATHS

By Ben Harding & Shonette Bason

Little Ladders is a partner Focus publication to accompany 'My Learning Ladders for Maths'. It provides a curriculum tracking system that Foundation Stage children can access and enjoy. The EYFSP profile points, (along with small steps to success for each one) for mathematical development are presented as succinct child-friendly target statements in the increasingly popular *Learning Ladder* format.

30 Pupil Books	£81.00
20 Pupil Books	£54.00
10 Pupil Books	£27.00
Single Copies of Pupil Books	£3.00

Minimum order quantity of 10 books

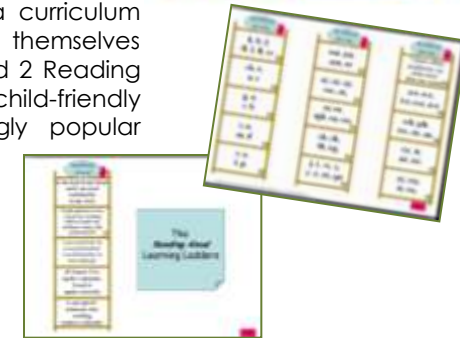

MY LEARNING LADDERS FOR READING

By Ben Harding, Sophie Leach & Angela McDermid

'My Learning Ladders for Reading' is an essential part of the 'Learning Ladder' range from focus. As with the Maths pupil books the reading books also fully integrate APP procedures into a curriculum tracking system that the children themselves complete. The entire Key Stage 1 and 2 Reading curriculum is presented as succinct child-friendly target statements in the increasingly popular *Focus Learning Ladder* format.
